Dear Parents:

Children have been sailing at Wessagussett Yacht Club for more than sixty five years. The primary boats sailed are the Optimist, Turnabout/N-10 and 420s. The sailing program is for ages: 8-16 yrs old the program runs from 9am till 3pm weekdays for 8 weeks. The beginners learn the basics of boat handling, knots and water safety and the advanced section teaches the fundamentals of racing and racing tactics along with environmental awareness.

The Wessagussett Yacht Club Sailing Program is gearing up and we have had great response from last year's sailors who are planning to return to the program. In order to reserve your spot the WYC Club must receive a non-refundable deposit of \$100.00. After 6/15/17 an announcement will be placed on our Web Site and FaceBook page with any available spots not financially reserved. Please make checks payable to Wessagussett Yacht Club.

There will also be an **informational meeting** at the yacht club at a date to be determined. This will be an opportunity for the kids and parents alike to catch up with their friends from last summer, meet the instructors, gather information on the program, and ask any questions you have. Myself, and the instructors will be available to discuss the program.

There are a few changes that we feel will improve the sailing experience for your children. Parents and sailors are expected to be present, as we want to ensure everyone is aware of the rules of the program and the club. You may also sign up to be a Junior Member at this time.

Parental Agreement:
